Agenda Item: 16

Draft Volunteer Policy

Background

Please reference Agenda Item 11 from the 19 September 2024 Board Meeting Agenda package.

Please reference the Minutes from the 28 November 2024 Board Meeting.

Current Status

FA Motion G 108/24

Moved by: Michael Metcalf

Seconded by: Jerry Chadwick

That the draft volunteer policy be deferred.

Carried.

After the Board meeting, Tudor and Cashel representative Jerry Chadwick and the General Manager met at the CVCA office soon after the November meeting to review the Draft Volunteer Policy and Jerry's revisions. The meeting met well, incorporating Jerry's revisions and then reviewing the document one final time.

The Volunteer Policy is now a complete document with changes made to make it better for volunteers, their goals and aspirations. As well, it becomes a better policy to serve and communicate the objectives of the CVCA. Therefore, both myself and Jerry believe it is appropriate to bring the revised policy forward for the Board's review, input and approval.

Many thanks to Jerry for his expertise, time and effort to vastly improve the Volunteer Policy.

Recommendation

That the revised Draft Volunteer Policy be approved as presented.

Board Decision
